

## Malton Christmas Market 2021 - The Lost Tea Company Covid Policy

The following measure will be enforced to reduce the spread of COVID 19

- Clean equipment and stock regularly with household disinfectant.
- Maintain social distancing
- Wear disposable gloves and use disposable cloths.
- Wash hands with soap and water where possible, using hand sanitiser frequently throughout the day. Wash clothing frequently, using warmest settings.
- Increase frequency of surface cleaning.
- Ask customers not to touch items, if this happens then the items will be removed and cleansed.
- Wear a face covering if social distancing is not possible.
- Provide free hand sanitiser for customers to use before and after the purchase.
- If possible, encourage customers to pay via card payments using a contactless reader. Cut down on number of times you and stall staff are required to leave the stall.
- Hand out samples upon request, instead of leaving out samples on the stall.
