

Covid Statement

PebblesByJane

I agree to protect customers/other stall holders/event organisers by ensuring:

I will maintain good hygiene standards around the Stall by following the latest advice from the World Health Organisation's (WHO) website which includes the following basic protective measures and this is the guidance:

- Wash your hands frequently with alcohol-based hand wash or wash with soap and water for at least 20 seconds
- Maintain a distance from other people wherever practicable and possible
- Avoid touching eyes, mouth and nose
- Practice respiratory hygiene - Using the nearest waste receptacle to dispose of the tissue after use
- Stay informed and follow the advice given by health care providers
- In the UK, the National Health Service (NHS) has advised that most people can continue to go to work, school and other public places, and that self-isolation is only to be undertaken if the individual is advised to do so by the 111 online coronavirus service or a medical professional.
